<sup>\*</sup> Conditions apply

Payment dates – Get Rate can be used for payments made today, tomorrow or the following day. Foreign currency payments scheduled more than three days in the future can be made, but are not supported by Get Rate and the foreign exchange rate will not be displayed.

"Live" rates – Get Rate offers you 'live' foreign exchange rates. These rates are live and change during the day in accordance with the movements in the wholesale foreign exchange markets.

Simple and easy to use – When making foreign currency Priority Payments through HSBCnet, Get Rate shows you the real-time foreign exchange rate, the amount to be paid in foreign currency and the exact amount to be debited from your account.

A real-time foreign exchange rate is displayed online for your approval before it is applied to your payment. You have approximately 20 seconds to accept the rate.

If you accept the rate, your foreign exchange transaction will be executed and your payment instruction initiated. Note that any subsequent payment cancellation or unwinding of the transaction by you or the Bank for whatever reason may result in a charge/ loss to you or the relevant account holder in respect of any underlying foreign exchange rate movements.
